ENGLAND  
HOCKEY

AFHC MD 2021

## Club Membership Database:

The membership database is held locally in a secure area of the AFHC website ([www.afhockey.com](http://www.afhockey.com)). This consists of 2 formats;

- All new members must register through on the website for team selection and thus contact details are inputted by the individual member. These are restricted to administrators of the website (Captains / Coaches / Membership / Chairman / Hockey Manager) who can only access them by using their own unique password and who are ALL DBS checked.
- Each club member/volunteer/officer must complete an AFHC Membership form annually at the start of each playing season. The information from this form is then transferred by the membership secretary by manually inputting the data/details on to an excel spreadsheet to register them with the club and ensure subscriptions / signed policy acknowledgment has been received. This spreadsheet is held within a secure area of the website which can only be accessed by administrators.
- NB - hard copy membership forms are then filed in the AFHC Membership File alphabetically and kept secure with the membership secretary who is DBS checked – these are then shredded at the end of each season.

The information available to club officials is as per the below table;

PERSONS REQUIRING INFORMATION	INFORMATION AVAILABLE TO THEM	HOW INFORMATION IS AVAILABLE
